

**Horizon Solutions and SPC are proud to introduce an eco-friendly family of high performance sorbent products: **Re-Form****

**Re-Form** products are made from a minimum of **70% recycled** newsprint and cellulose, taking less away from our environment.

**Re-Form** products offer superior absorbency, meaning you **use less product**, and have **less waste** to dispose of.

**Re-Form** products are **less expensive** than oil-based polypropylene sorbents.

**Green to produce. Green in use. Putting Green back in your pockets.**
